

J.B.N. G.C. Haripur
(Eco. CIUB).

Eco club is hereby formed for the session 2023-24. Its main role is creating environmental awareness and action based programmes for the improvement of environment amongst the students.

Main Objectives

- To make student understand environment and environmental problems
- To provide environmental education opportunity for the students
- To bring students into direct contact with environmental problems
- To involve students in action based programmes related to environment in their surrounding.

In the meeting with the member of eco club it was decided to

- 1) Assemble Eco club members every month for one hour at least to take up some activity.
 - 2) To encourage students to suggest activity for the month & make necessary preparation for the followup activities will be undertaken as suggested by members.
- To ensure that campus of the institution is polythene free.
 - To help the volunteers of Rover Scouts, NCC, NSS in their campaign.
 - To organise poster competition / Quiz competition / ~~debate~~ debate on the theme of protection of environment
 - Campus beautification
 - Rally for awareness of public about protection of environment.
 - To take care of the flower pots in the campus.

→ To develop encourage student to plant flowers in the campus -

→ To assist NSS/NCC in various activities related to Environment

Nareesh Kumar
