Choosing English as a subject

English language and Literature is a great subject to choose at the under graduate level. The course not only helps us become proficient in the language but also improves our understanding of life, thus making us more profound. Students of language and literature develop a command over all the four aspects of a language (Speaking, Writing, Reading and Listening) and therefore become well equipped for a wide range of job opportunities in Govt. as well as Private sector.

Some of the professions that students can choose from after completing a course in English are:

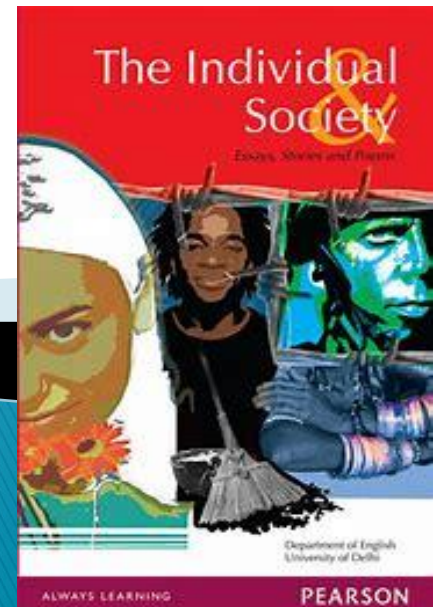

- Teaching
 - Journalism
 - Mass Communication
 - Public Relations (PR)
 - Marketing and Advertising
 - Digital Marketing/Social Media Marketing
 - Content Writing and Blogging
 - News presenters/ Reporters
 - Editorial Assistants
 - Newspaper journalists
 - Freelance Writers
-
