EXECUTIVE SUMMARY

Govt. College Haripur was established in the year 2006 by the Govt of Himachal Pradesh in response to the persistent demand of the people of upper Kullu valley. In 2013, on the occasion of the inauguration of the New College building, the college was renamed as Jawaharlal Nehru Govt College Haripur. This association of the College with the founder of Modern India has gladdened as and encouraged to set high standards befitting the stature of the profound statesman and lover of mountains. The enrolment figure for the previous years clearly shows that the college has come as a boon particularly to the girl student who could otherwise ill afford college education at a place far away from their homes. The college is thus academically enriching the society by providing a major thrust to higher education in the region. The subjects being taught in the college include : English , hindi , Sanskrit , History , Political Science , Public Administration , Economics , Mathematics , Music, Tourism, Geography , Sociology , Commerce , Botany , Chemistry , Physics and Zoology.

Manali – Kullu being a hot tourist destination offers a vast array of jobs in tourism sector; the possibility of introduction of courses based on tourism is being explored to provide the much needed vocational component to the Bachelor's programme to increase the employability of the student. The college has a faculty of experienced and dedicated teachers under whose assiduous mentoring the college in on the threshold of attending the required critical mass of students essential for its proper growth and progress. The college by successfully organized various international and National seminars and has clearly demonstrated the potential of this fledgling institution and have also set high standards for its future growth.

The College new building in terms of design and accommodation makes it one of the finest campuses of the state. The effort to fully equip and suitably furnish it is on and the liberal grants being received under RUSA have come as a boon for this purpose. The college situated in the heart of BARSHAI KOTHI, one of the most fertile areas of the valley, offers a panoramic view of the snow-capped peaks, forested hillsides, terraced field and picturesque hamlets. The pristine natural setting is bound to create an ideal atmosphere for teaching-learning to take place. Keen set of students, a committed faculty and supportive public should see the college progress and attain new goals in the field of higher education by shaping the youth responsible capable of fending for themselves.

At present college is running all the three major streams: Humanities, Science and Commerce. From the session 2021-22, M.A. (English), M.A. (Pol. Science) and B.Voc. (Hospitality and Tourism) have been started. 'M.Com.' (Master of Commerce) has also been started w.e.f. 2022-23 session.
