EXECUTIVE SUMMARY

Govt. College Haripur was established in the year 2006 by the Govt of Himachal Pradesh in response to the persistent demand of the people of upper Kullu valley. In 2013, on the occasion of the inauguration of the New College building, the college was renamed as Jawaharlal Nehru Govt College Haripur. This association of the college with the founder of Modern India has encouraged setting high standards befitting the stature of the profound statesman and lover of mountains. The enrolment figure for the previous years clearly shows that the college has come as a boon particularly to the girl students who could otherwise ill afford college education at a place far away from their homes. The college is thus academically enriching the society by providing a major thrust to higher education in the region. The subjects being taught in the college include : English, hindi, Sanskrit, History, Political Science, Public Administration, Economics, Mathematics, Music, Tourism, Geography, Sociology, Physical Education, Commerce, Botany, Chemistry, Physics and Zoology.

Manali – Kullu being a hot tourist destination offers a vast array of jobs in tourism sector. The introduction of B.Voc. Course in hospitality and tourism adds to increase the employability of the student. The college has a faculty of experienced and dedicated teachers under whose assiduous mentoring the college is self sufficient to attend the mass of students essential for its proper growth and progress. The college has successfully organized various International and National seminars in the recent years which has clearly demonstrated the potential of this institution and has also set high standards for its future growth.

The College new building, in terms of design and accommodation makes it one of the finest campuses of the state. The liberal grants being received under RUSA 2.0 have come as a boon to add another block and also to equip the campus. The college, situated in the heart of BARSHAI KOTHI, one of the most fertile areas of the valley, offers a panoramic view of the snow-capped peaks, forested hillsides, terraced field and picturesque hamlets. The pristine natural setting is bound to create an ideal atmosphere for teaching-learning experience. Keen set of students, a committed faculty and supportive public contribute to the progress of the college and attain new goals in the field of higher education by shaping the youth capable of fending for themselves.

At present college is running all the three major streams: Humanities, Science and Commerce. From the session 2021-22, M.A. (English), M.A. (Pol. Science) and B.Voc. (Hospitality and Tourism) have been started. 'M.Com.' (Master of Commerce) has also been started w.e.f. 2022-23 session.

(iii) Flipped Classroom

Implementation of Flipped Classroom Practices

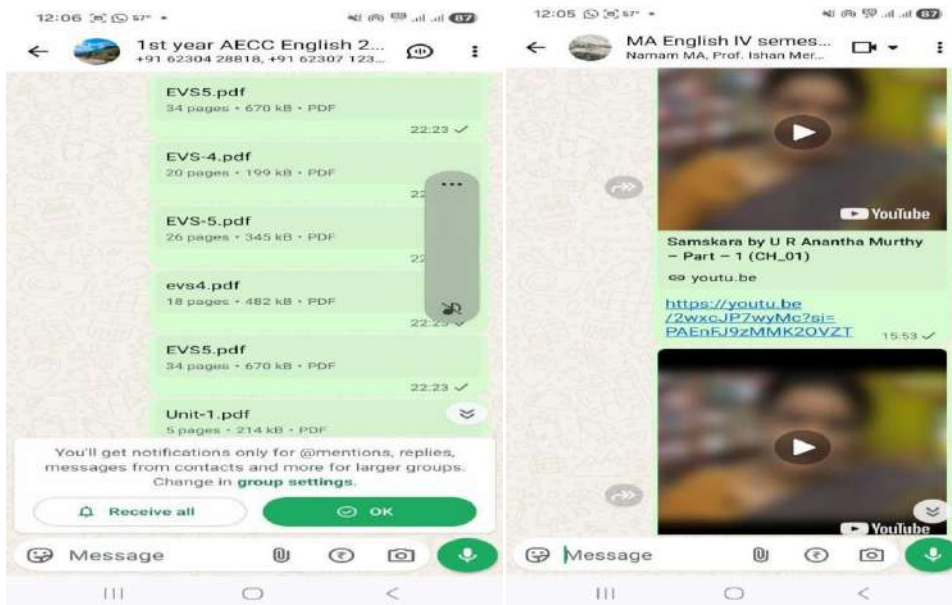

Jawaharlal Nehru Government College Haripur, Manali has systematically implemented the Flipped Classroom approach to strengthen teaching–learning processes and promote active student engagement. This practice was adopted to optimize classroom time and encourage students to take greater responsibility for their own learning, in alignment with the learner-centered framework of NEP-2020.

Under this approach, core academic content was shared with students before classroom interaction in the form of PDF notes, PowerPoint presentations, recorded lectures, YouTube resources, and guided reading material through digital platforms such as WhatsApp groups and online channels. Students were encouraged to study these materials independently prior to class sessions, enabling them to arrive with basic conceptual understanding and queries.

Classroom time was then utilized primarily for interactive discussions, clarification of concepts, group activities, presentations, and application-based exercises. This shift allowed faculty members to focus on facilitating learning rather than delivering one-way lectures. Students actively participated in discussions, peer learning, and problem-solving tasks, which enhanced their comprehension and communication skills.

The flipped classroom practice proved particularly beneficial in addressing diverse learner needs. Slow learners were able to revisit the shared content multiple times at their own pace, while advanced learners engaged in deeper analytical discussions during classroom interactions. Faculty feedback indicated improved classroom participation and more meaningful academic engagement.

Overall, the sustained use of the Flipped Classroom approach has contributed to better utilization of classroom time, improved student preparedness, and enhanced learning outcomes. The practice demonstrates effective integration of digital learning resources with face-to-face teaching and forms an integral part of the institution's efforts to strengthen student-centred learning.

- (iv) Different needs of different groups of students are addressed in remedial classes.

कन्याकुमारी के टूर पर हरिपुर कालेज के होनहार

निजी सवाददाता-मनाली

जेएलएन गवर्नमेंट कालेज हरिपुर के टूर एंड ट्रेवल विभाग ने डब्ल्यूआरएस गवर्नमेंट कालेज देहली के सहयोग से केरल और कन्याकुमारी के लिए एक शैक्षिक सह फोल्ड टूर का आयोजन किया। इस समुदाय यात्रा अनुभव में दो संकाय सदस्यों के साथ कुल 32 छात्रों ने भाग लिया। इसका नेतृत्व टूर एंड ट्रेवल विभाग के प्रोफेसर विरोचन ठाकुर ने किया। छात्रों ने कोवलम बीच, कन्याकुमारी के स्वामी विवेकानंद रॉक मेमोरियल, केरल आर्ट एंड क्राफ्ट बिलेन, शांत एलेपी बैंकवाटर और कौन्च में

प्रसिद्ध चोनी मछली पकड़ने के जाल सहित प्रमुख पर्यटक आकर्षणों को यात्रा की। इसके अतिरिक्त, उन्होंने भारत के सबसे बड़े शॉपिंग गंतव्यों में से एक लुलु इंटरनेशनल मॉल का दौरा किया।

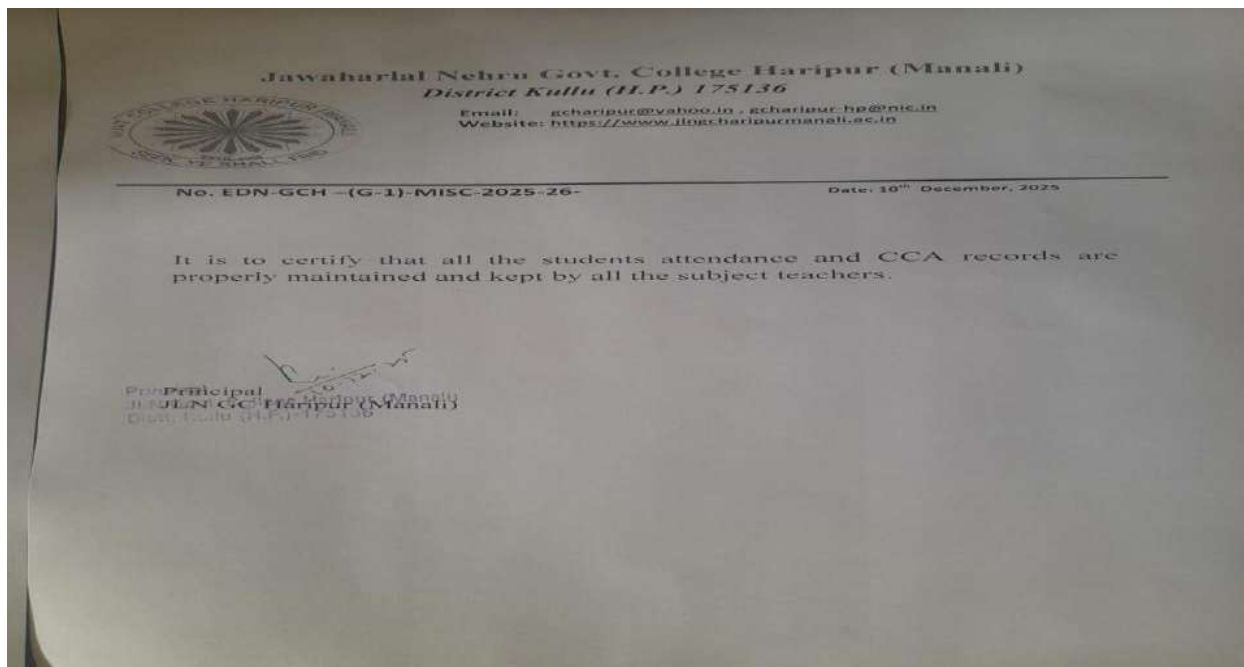

इस यात्रा ने छात्रों को पर्यटन उद्योग, सांस्कृतिक विरासत और आतिथ्य प्रबंधन में व्यावहारिक अंतर्दृष्टि प्रदान की। उन्होंने वास्तविक दुनिया के पर्यटन संचालन और साइट प्रबंधन के बारे

में मूल्यवान जानकारी प्राप्त की, जिससे उनकी शैक्षणिक शिक्षा में वृद्धि हुई।

यह दौरा सिर्फ दर्शनीय स्थलों को यात्रा नहीं था बल्कि व्यावहारिक शिक्षा का एक अभिन्न अंग था,

जिससे छात्रों को पर्यटन और यात्रा उद्योग के कामकाज के बारे में जानकारी मिली। इस यात्रा का सनातन छात्रों के समुदाय जहाँ अविस्मरणीय यादों और भारत के विविध पर्यटन परिदृश्य के प्रति गहरी प्रशंसा के साथ हुआ। इस यात्रा की सफलता ने पर्यटन और यात्रा विभाग को भविष्य में इस तरह के और अधिक शैक्षिक प्रयोग को योजना बनाने के लिए प्रोत्साहित किया है। इस पूरे दौर के दौरान सहयोग के लिए प्रो. विरोचन ने प्रिंसिपल डा. शेफाली को विशेष धन्यवाद किया, जो इस शैक्षणिक यात्रा को संभव बनाने में महत्वपूर्ण था।

7	Brief Report	<p>Mr. Harish Kumar, an alumnus of JLN GC Haripur and a theatre veteran with twelve years of experience (associated with Rangapriya Theatre Society, Culture Warrior Productions, etc., and having appeared in over seventy films and web-series) was invited as a resource person to conduct a ten-day dramatics workshop in the college. The student members of Abhivyakti – the newly formed Dramatics Society – were thus introduced to the basics of theatre and stage-craft.</p> <p>The ten-day workshop began with the emphasis on respecting the stage, for instance, by taking off one's footwear before stepping on to it. This was followed by games and theatrical activities related to occupying space on the stage, switching between a variety of emotions, dramatic reading, teamwork, script-writing and building props. Auditions were also held to finalize members of the dramatic society as well as to form teams for the Group IV competitions of the HPU Youth Festival (held in Atal Sadan, Kulu from 20/11/2024 to 22/11/2024).</p> <p>Thereafter, scripts were finalized for the competitions and rehearsals began in earnest from morning to evening. The students were also engaged to make elaborate props for the same. Through all these activities, the students claim to have gained much in terms of confidence and discipline apart from the dramatic and artistic skills they imbibed from Mr. Harish.</p> <p>A contingent of 15 students (including actors, musicians, production team, etc.) participated in the categories of one-act play, skit and mime in the Group IV competitions. The one-act play was based on SR Harriot's story Keeleln, and JLN GC Haripur stood first in the category.</p>
