

## NOTICE

Date: 24 September 2025

**Subject: Celebration of National Geo-Spatial Mission (PM Gati Shakti)**

All students and faculty members are hereby informed that NCC unit will be celebrating the **National Geo-Spatial Mission (PM Gati Shakti)** on **25<sup>th</sup> September 2025** at Geography Lab of college.

The event aims to create awareness about the importance of **geospatial technology in integrated infrastructure planning and development** under the visionary initiative of the Government of India. The program will include:

- An awareness session on PM Gati Shakti and its significance.
- Presentations and discussions on geospatial applications in national planning.
- Student interaction activities to promote innovative ideas in mapping and logistics.

All students are encouraged to attend this informative program. Attendance is **mandatory** for concerned departments.

## JLN Govt. College Haripur (Manali) College Activity

Sr. No.	Particular	Remarks
1	Date	25/09/2025
2	Name of Activity	National Geo Spatial Mission
3	Name of Unit/Agency/Department Organizing the Activity	NCC
4	Name of Collaborating Agency (If Any)	NA
5	No. of Student Participants	20
6	No. of Teacher Participants	02
7	Brief Report	<p>A special guest lecture was organized under the theme of the <b>National Geo-Spatial Mission (PM Gati Shakti)</b> in our college. The lecture was delivered by <b>Prof. Naresh Kamal, Department of Geography</b>, who enlightened the students and faculty with his deep insights into the significance of geo-spatial data and its applications in the holistic planning of infrastructure and development under the PM Gati Shakti initiative.</p> <p>Prof. Kamal highlighted the role of geo-spatial technologies in integrating various modes of transport, ensuring resource efficiency, and promoting sustainable development. He also emphasized how this mission will strengthen India's logistics and connectivity, leading towards a stronger and more self-reliant nation.</p> <p>The session proved to be highly informative and interactive, as students actively engaged in discussions and raised thoughtful queries that were well addressed by the speaker.</p> <p>The college extends its <b>special thanks to our respected Principal</b> for her constant support, guidance, and encouragement in organizing such academic and awareness-driven programs.</p>

## Date: 24 September 2022

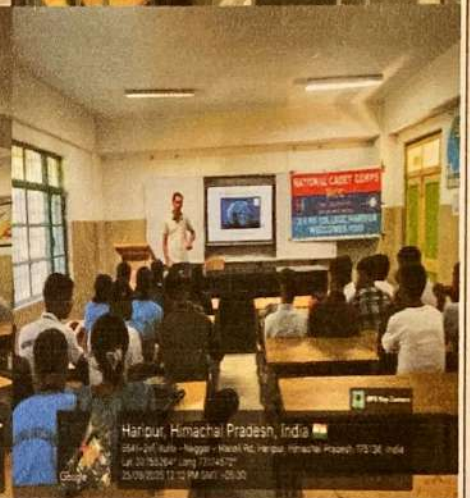

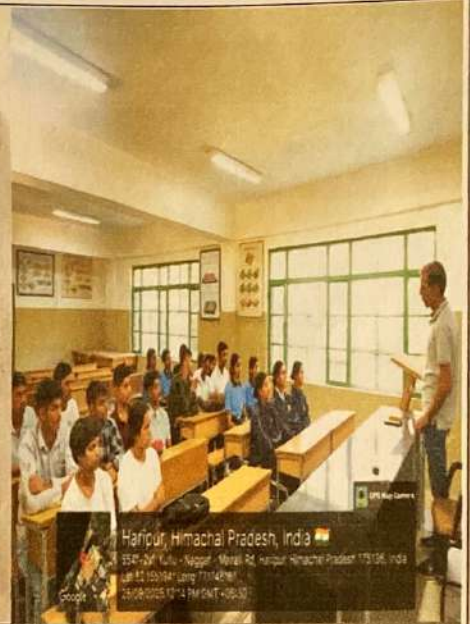

All students and faculty members are kindly informed that WTC will be conducting the National One-Semester English (PGE Cell Study) on 28<sup>th</sup> September 2022 in Computer Lab of college.

The event aims to create awareness about the importance of geospatial technology in integrated infrastructure planning and development under the visionary initiatives of the Government of India. The program will include:

- Its associated analysis on the last sheet and its significance.
- Presentations and discussions on geographical applications in natural planning.
- Student innovation activities to promote innovative ideas in mapping and logistics.

All students are encouraged to attend the informative program. Attendance is mandatory for concerned departments.
