7	Brief Report	A Three-Day NCC Training Camp was successfully organized at Jawahar Lal Nehru Government College, Haripur, Manali Campus with the objective of instilling discipline, leadership, patriotism, and teamwork among NCC cadets. The camp provided an excellent platform for cadets to enhance their physical fitness, develop leadership qualities, and strengthen their sense of social responsibility. The camp commenced with an inaugural session, where the cadets were welcomed and briefed about the camp schedule, objectives, and code of conduct. Throughout the three days, cadets actively participated in a variety of activities, including drill practice, physical training, parade sessions, weapon awareness, map reading, first aid, disaster management, personality development, and leadership training. Special lectures on national integration, environmental awareness, and the role of youth in nation-building inspired the cadets to become responsible citizens. The camp also included group discussions, cultural activities, team-building exercises, and cleanliness drives, which promoted unity, confidence, and cooperation among the participants. These activities helped the cadets improve their communication skills, self-discipline, and problem-solving abilities while fostering a spirit of camaraderie. The camp was conducted under the guidance of CTO Jyoti Bala, whose dedicated leadership and continuous encouragement ensured the smooth organization and successful execution of all training activities. The support and motivation provided by the Principal, Dr. Shefali, greatly contributed to the overall success of the camp and inspired the cadets to participate enthusiastically. The three-day training camp concluded with a valedictory session, where cadets shared their experiences and expressed gratitude for the valuable learning opportunities provided during the camp. The event was a great success and fulfilled its objectives of nurturing disciplined, confident, and socially responsible young citizens while upholding the ideals of the National Cadet Corps. The college has an active NCC unit and regularly conducts training and related activities for students.
